## Resumés of Year's Activities

1970-1971

### Women's Activities

#### Ice Hockey Tommies - Coach, Miss Maureen Custy

Who? - 15 women took part, good manager, excellent coach  
 - 7 of the girls were very keen and attended all practices  
 - the other  $\frac{1}{2}$  of the team were lazy and finally the practices dropped from 3 before Xmas to 2 after Xmas  
 - the girls advanced their skill level but not enough to make any deep impression on their though opposition  
 - they placed 8th in the WITCA - Ontario Quebec League against McMaster, Ryerson, McGill, Toronto, York, Queen's and Western

#### Competition

- playing Dawson and Loyola Grads and Huntington proved to be the best type of game to play
- the team enjoyed the Invitational Tournament before Xmas and the away trip to Toronto

#### Next year

- Conclusion
- occasional hockey games both home and away should keep some interest up
- the women must develop a more competitive winning spirit
- they must play teams of their own calibre (beginner, intermediate teams such as Dawson, Chateauguay and our Loyola Grads)

#### Basketball Tommies - Coach - Miss I. Konecny

Who? - the year started out very poorly but after strong recruiting in October we fielded a team of 14 girls  
 - the team had 3 or 4 good players but the rest were just learning the game.  
 - the coach was O.K. and the manager was terrible

#### Competition

- we played in the WITCA league versus, Toronto, Macdonald Queen's and McGill and placed last
- trips to Toronto-Kingston and Three Rivers were great

#### Next year

- the team should have a short trip in October or November to get to know each other
- exhibition games against teams their own calibre was good (Do not play Dawson or N.D.G.)
- team hated their playing uniforms and definitely need new ones for the next season
- they also need travelling bags

Women's Athletic Council - 1969 - 1970

Who? - President - Wendy Linton  
- Vice-President - Jeanne LeBlanc  
- Publicist - Tina Rudkoeki

- the three women worked well together - they attended the Intramural Women's Athletic Council Workshop at Geneva Park in the fall of 1969 - they all benefited from this and should try to go to the next one in September 1971 at Bark Lake, Quebec

Accomplishments through year

- ran a Scavenger hunt in the fall but there was no student response
- increased news coverage both in Loyola Paper and The Paper
- doubled number of participants in women's ice hockey intramurals
- ran a successful volleyball tournament and tennis tournament and basketball round robin
- helped run Intermediate Finals Basketball Tournament, Co-ed Club Night, Women's Sport Night
- worked in LMAA Council
- generally communicated with students a lot better than previous year

## Next Year

- Executive should work closer with women in executive positions across street
- staff should set up 2 gatherings plus refreshments where more women student contact can be made

### Majorettes

Who? - Leaders were Wendy McKeown and Jean Riddle

- 16 women participated actively and 4 women practices irregularly.

What they did

- marched at Football and Basketball games pre and  $\frac{1}{2}$  time shows
- went one one trip to Ottawa which ended up to be an overnight
- performed at childrens xmas party, club night and women's sports night

Problem

- it is really worth all their effort when not once in the fall did they have an effective speaker system in the Molson truck
- I suggest if they are to perform in the fall they should be given more consideration and we should rent an equipped truck rather than depend on a free truck that never does the job
- these women practiced 3 times a week in the fall looking forward to the football games and they were met with one disappointment after another. in fact in November  $\frac{1}{2}$  of the group had quit because of this abuse situation

Next year

- would like a trip before and after xmas (one overnight) and travel with the Boys Basketball Team

### Cheerleaders

Who? - 10 women under the co-leadership of Clarena Bernier and Susan Shaughnessy

- after Christmas Clarena took complete command

What they did

- cheered at all men's home basketball games and women's sport night

Travel

- travelled to Ottawa, and the Nationals
- their planned trip to Sherbrooke and Plattsburgh were cancelled

Next year

- need a trip before xmas and after to unite the group and for the girls to get to know the mean they are cheering for
- otherwise they become quite discontent
- need new uniforms for next year
- social gatherings between majorettes and cheerleaders should be arranged bimonthly at appropriate times for women director and other people to get to know the women

Clubs on Campus

Aikido - Instructor - Mr. Massimo Nicolaci di Villadorata

When? - Monday evenings 7 to 10 p.m.

Who? - 15 students in September to 6 in March

**General Impression**

- Mr. Villadorata is a good teacher however, there was not much real interest in this club
- after publicity in January he had 4 new recruits
- the boys who came out were not at all talented and did not have the ability for aikido

**Problems**

- his class in the fall had no settled place to work in.
- the mats always had to be brought down, the rooms were dirty
- the class got a bit fed up with intrusions and the above problems

**Next year**

- perhaps if he had a good turn out in the fall it would be worthwhile to run a short course
- however, he definitely needs space and mats or its really not worthwhile

Archery - Instructor - Mr. John Bernardin

When? - Sunday evenings 6 to 11 p.m.

Who? - 30 students in the fall to 8 in March  
- one women student

**General**

- they organized an Invitational Archery tournament with McGill (3 meetings total points) Loyola won easily
- coffee regularly helped bring a more social atmosphere to the Sunday evening
- took part in Club Night

**Next year**

- they hope to have an Invitational Archery Tournament here with other colleges sometime in January
- need to advertise more and try to put more interest in this club
- its a bit dull

Badminton - Instructor C/O Mrs. B.Maunder

When? - Thursday, 8 to 11 p.m.

Who? - 16 students, 10 staff on a regular basis  
- 6 women usually attended

Comments

- this club had continued interest and gained momentum in January
- equipment lasts a very short time
- had 3 or 4 very good men players and one or two good women

Next year

- could try inviting colleges over for tournament competition

Curling - Instructor C/O Mrs. B.Maunder

When? - Tuesday and Friday 8 to 10 for one month - then dropped to Tuesday only

Who? - had 3 players in October  
- formed 2 teams and they played on an Intercollege Curling once a week at Town of Mount Royal  
- however, teams disbanded due to lack of interest after xmas

Comments

- players are not interested in 8 a.m. rink time
- not very keen at all

Next year

- once a week only
- \* - needs help if is to continue
- a mixed curling team consisting of Gary and Terry McCulloch and Anne Richardson and Cathy Bevin won the Invitational Bonspiel at Macdonald College. These women students never practiced at Loyola
- Gary and Terry are both active members at Rossmere Club
- curling in our rink is good for practice in delivery only but it is useless to develop any skill in the game.
- it is not clear exactly how much money for competition this club has
- if the curling club is to get anywhere the money must be allotted for travel to different clubs and competition
- must be a factor in the club's program

Fencing Club - Instructor C/O Mr. Otis till xmas and Mr. Nagy after xmas

When? - Wednesday, 7 to 10 p.m.

Who? - 15 to 20 interested students

Problems:

- Mr. Otis's death caused the club to become disorganized and
- Mr. Nagy taught only 4 or 5 lessons after xmas and these were interrupted by his attendance at the games
- however, the problem that remains is  $\frac{1}{2}$  of the group wish to seriously fence and get into competition and  $\frac{1}{2}$  the group are just fooling around

Next year

- this club should be continued but needs direction and help to get it started on the right foot
- if we want fencing to get some ground at Loyola we must have competition not just a fun night with the swords

Figure Skating - Instructress- Miss Debbie Morris

When? - had a lot of interest at 12 noon not at 11 a.m.

Who? - 15 to 20 students (one male) before xmas to 10 in March

Comments?

- could use music everyday on rink
- students like to learn how to skate

Next year

- should definitely be continued with instructress twice a week

Judo Club - Instructor - Mr. H. Nakamura

When? - Tuesday from 1 to 3 p.m., Thursday from 1 to 3 p.m.

Who? - 20 before xmas dropped to 7 students in January to 15 in Feb.

What? - had judo classes for women by themselves at first - then switched to mixed classes

- the 2 hours was good as some students came for the 2nd hour, and some for the first hour
- placed 4th in the OSL competition
- placed 2nd in a Tri-meet vs Dawson and Vanier

Problems

- the mats were a main problem - mats should stay in one area by the time they were set up they were very dirty and both men and women became discouraged - this class had a couple of keen boys and hopefully they will all return next year

Judo Club (cont'd)

## Next year

- same time
- Mr. Nakamura would like more money
- would like to have an Invitational Judo Tournament Saturday, November 20th, here at Loyola
- money allotted for competition

Karate Club

Instructor - Mr. S. Ishino

Who? - maintained an interested 11 male students  
 - started a female karate class after xmas with the women lib. group but it dwindled to only a few girls

When? - Tuesday, 2 to 3 p.m. and Thursday, 1 to 3 p.m.

## Problems

- not many problems
- punching boards were here in February and have still not been put up

## Next year

- money must be allotted for competition for this group
- the only way interest is maintained is by being a keen competitive group as the nucleus of the class

Modern Dance

Instructress - Mrs. Iro Tembeck

Who? - Beginners class of 20 women, Advanced class of 20 women

When? - Beginners on Tuesdays 3 to 4:30 in Foyer of P.C.Smith  
 - Advanced on Thursday 5 to 6:30 in Foyer of P.C.Smith

## Comments

- excellent instructress, maintained keen interest in her class until April
- demonstrated for Club Night, Basketball night and Dominion Festival of Arts and also at Good Friday Mass on campus

## Next year

- two classes a week needed for Beginners and Advanced group
- more money for Mrs. Tembeck
- could demonstrate before xmas for a Basketball game

Ski Club

- no report as I had no contact with anyone in the club

Sky Diving Club - C/O Mr. Andy Chmura

## Comments

- Andy ran one sky diving group of 30 people
- approximately 18 took their first jump
- his course after xmas fell through as he started too late

## Next year

- could keep closer tabs on this group
- is John or women's director in charge of this group??

Synchronized Swimming - C/O Miss Raymonde Taillefere

When? - after xmas, Thursdays 5 to 6 p.m. at N.D.G. YMCA

## Comments

- students met Raymonde at School at 4 p.m. and went to YMCA together
- group of 10 women dwindled to 6 at final session
- teacher was excellent

## Next year

- should be instructional swimming for both men and women starting October 1 once a week until February 15th
- synchronized swimming and diving instructions would be available for those who wished it.

Table Tennis

Who? - Mostly men use the tables

- tried to organize a ping pong tournament after xmas during Carnival but it fell through with many defaults
- tournaments should be run before xmas as the kids are keener then

Yoga - a series of 3 lessons was given by Mrs. Able to approximately 12 students Combative Room

## Problems

- this class must be held in a quiet well ventilated area - the combative room is not suitable as the noise from the laundry and overhead gymnasium is not conducive to concentration
- small mats (5) should be brought and these could be transported to another area across street
